STIPULATIONS

1. Retail, restaurant, nightclub or bar businesses that hold resale permits, collect sales taxes and whose business requires access to parking are eligible. Qualified businesses are required to present their resale certificate to buy coupons/stamps.
2. Downtown Parking Validation stamps/coupons are sold/distributed during weekday business hours at the Central Parking System office located at 45 North Market Street, San Jose, CA 95113. The telephone number is (408) 287-7270.
3. The validation stamps must be affixed to the parking ticket (not stapled). Loose validation stamps or stamps adhered to anything beside the ticket will not be honored.
4. No refunds or trade-ins are allowed on unused coupons/stamps.
5. There is a monthly limit of \$60 purchase by each merchant, unless approval is obtained from the City of San Jose's Parking Administrator at (408) 975-3707.
6. Downtown Parking Validations can be purchased in 20-minute, one-hour and two-hour increments. The customer must pay the regular hourly rate for the time beyond the first two hours.
7. Downtown Parking Validation coupons/stamps are valid at parking facilities identified by large "P_v" signs located at the entry of the parking facility.
8. Downtown Parking Validation Program posters must be clearly displayed on the store's window or main entry by all participating businesses. Prominently displaying posters is a condition for program participation. Failure to display posters may result suspension from the program.
9. Downtown Parking Validation coupons/stamps are to be used for validating customer parking only. Personal use of Downtown Parking Validations by businesses or their employees is strictly prohibited.
10. Any abuse of the Downtown Parking Validation Program by participants or their representatives will result in the following penalties: first offense, one month program suspension; second offense, permanent suspension.
11. I have read the above conditions of the Downtown Parking Validation Program and I agree to accept validation privileges based on all of the conditions.
